## A Journey to Saturn

The August demo was given by Michael Fay, where he made a Saturn bowl. A master of the demonstration, he ran rings around the well known planet.

Unfortunately, there is no description of Michael's demo. However, for a description of another Michael Fay, check out this link to a well-known American explorer. Any relation?

## How much do you know about trees?

Where is the world's oldest tree? What species grows the fastest? What wood was Christopher Columbus's ship the Santa Maria built of?
