

Wood Turning Courses In The Loire Valley

Come learn specialised techniques and much more on one of my wood turning courses in the Loire Valley, France.

I run wood turning courses from my own workshop, an old farmhouse in the charming village of Lignieres de Touraine, France. Throughout the course my aim is to show you the correct and safe way to turn whether it is spindle turning, faceplate or chuck turning.

Whether you are just beginning or advancing your skills, each student will receive the utmost in personal attention. Courses can be tailored to suit requirements.

All students will have the opportunity to work on Oneway and Woodfast lathes.

Courses are available in my fully equipped workshop with a minimum of 3 students and maximum of 5 students. Cost of a course is €590 per person for 5 full days. Private groups can be arranged.

If you are interested in attending a course there are still some spaces available for the following dates in 2023.

19th to 23rd of June

17th to 21st of July

18th to 23rd of September

16th to 21st of October

20th to 24th of November
